RIVARESTORE
Made in Italy

Spare-parts Rivarossi 1:80

SFN 287

Material: zinc-alloy (Zama)
Processing: burnished black

Notes construction techniques and quality

Hiawatha rear bogie, 2nd type with total opening for the insertion of the axle free from constraints. The current-collecting sheet (SL-602) must be inserted onto this detail using a screw and plate, the latter not currently available in replica.
